CERAMICHE ARTISTICHE  
MADE IN FLORIM

# i classici di rex

Il prezioso contenitore de I Classici si arricchisce di nuovi suggestivi prodotti: 4 marmi ricercati che riportano alla mente eleganti atmosfere anni cinquanta tradotte in una fresca e inattesa modernità. Ingredienti perfetti per un progetto tailor made che traccia una nuova linea di lusso racchiuso nelle linee eleganti e fluide e nei contrasti di chiaro scuro. Un forte carattere estetico permette di creare uno spazio architettonico con un approccio personale e libero da vincoli predefiniti per la realizzazione di un luogo autentico e del tutto affine al proprio immaginario dell'abitare. Una vibrante energia si riflette dal prodotto al progetto portando con sé contemporaneamente la nostalgia del passato e l'innovazione del futuro.

The valuable container of I Classici is further enriched with suggestive products: 4 sought-after marbles bringing to mind the elegant atmosphere of the fifties, interpreted with a fresh and unexpected modern accent. Perfect ingredients for a tailor-made project, which draws a new line of luxury, enveloped in sleek, flowing lines and chiaroscuro contrasts. A strong aesthetic character for us to create architectural areas, using an approach which is personal and free of pre-defined constraints, designing authentic settings, fully in tune with our personal concepts of living. Vibrant energy reflects from the product to the project, bringing with it both nostalgia for the past and innovation for the future.

La précieuse collection « I Classici » s'enrichit de nouveaux produits de charme : 4 marbres raffinés qui évoquent les atmosphères élégantes des années '50, revisitées au goût du jour dans un style frais et surprenant. Des ingrédients parfaits pour un projet sur mesure, traçant une nouvelle ligne de luxe, qui s'exprime dans les lignes élégantes et fluides ainsi que dans les contrastes de clair-obscur. Un fort caractère esthétique permet de créer un espace architectural avec une approche personnelle et libre de contraintes pour la réalisation d'un lieu authentique et s'inscrivant parfaitement dans l'imaginaire individuel de l'habiter. Une énergie vibrante se reflète du produit au projet, mêlant nostalgie du passé et innovation du futur.

Die kostbare Kollektion "I Classici" wird um neue, bezaubernde Produkte erweitert: 4 edle Marmorvarianten, die an die elegante Atmosphäre der 50er Jahre erinnern und zugleich auf frische, unerwartet moderne Art und Weise interpretiert wurden. Perfekte Elemente für ein maßgeschneidertes Projekt, das eine neue, durch elegante, fließende Linien und Hell-Dunkel-Kontraste gekennzeichnete Vorstellung von Luxus einführt. Dem starken ästhetischen Charakter ist es zu verdanken, dass ein individueller architektonischer Raum ohne festgelegte Vorgaben entsteht, in dem sich ein authentischer Ort realisieren lässt, der voll und ganz der eigenen Wohnvorstellung entspricht. Eine vibrierende Energie überträgt sich vom Produkt auf das Projekt und bringt gleichzeitig Sehnsucht nach der Vergangenheit und die Innovation der Zukunft mit sich.

La preciosa colección de I Classici se enriquece con nuevos y sugerentes productos: 4 mármoles refinados que nos traen a la mente elegantes atmósferas de los años cincuenta traducidas a una fresca e inesperada modernidad. Ingredientes perfectos para un proyecto tailor made que traza una nueva línea de lujo comprendido en las líneas elegantes y fluidas y en los contrastes de clarooscuro. Un fuerte carácter estético permite crear un espacio arquitectónico con un planteamiento personal y libre de vínculos predefinidos para la realización de un lugar auténtico y completamente afin al propio imaginario del hogar. Una vibrante energía se refleja del producto al proyecto, llevando consigo al mismo tiempo la nostalgia del pasado y la innovación del futuro.

**Коллекция I Classici пополнилась новыми изысканными изделиями: четырьмя ценными видами мрамора, призванными воссоздать элегантную стилистику 50-х, но в этот раз в совершенно неординарной современной интерпретации. Новые модели воплощают собой новое видение роскоши, заключенной в элегантные плавные контуры и контрасты светотени. Темпераментная эстетика и отсутствие каких-либо стилистических ограничений позволяет реализовать любые индивидуальные проекты в аутентичном стиле. Вибрирующая энергия, которая передается от единичного изделия к целому архитектурному пространству, несет в себе приятную ностальгию по прошлому и новый взгляд в будущее.**
